

EAST DEVON RADIO CONTROL CLUB

BMFA Affiliated Club – 2055

2025 Membership Fees

This Year's EDRCC Membership Fee & How to pay it by Bank Transfer (required).

Due to the current status of club funds the committee has proposed that the Membership fees remain the same as last year. At the 2024 AGM the membership agreed by voting in favour of it remaining the same at £59.

However, as in previous years when the club receives your Membership Fee by or before **31st January**, the EDRCC Early Payment Discount (EPD) reduces your payment by £10, reducing the fee you pay from £59 to £49.

(Please note The EPD only applies until the end of January. 1st February is too late)
